RULES and ORDERS
 FOR THE
 GOVERNMENT
 OF A
 COUNTY HOSPITAL
 AT
 LINCOLN:

FIRST, THAT this Society be called the GOVERNORS of the COUNTY HOSPITAL in *Lincoln*, and to consist of a President, who shall be the Lord Lieutenant of the County for the Time being, two Vice Presidents, and Fifty or more Governors, and such a Number of Officers and Servants, as shall from Time to Time be judged necessary.

II. THAT all Benefactors of Fifty Pounds or upwards, at one Time, be Governors during Life.

III. THAT all Subscribers of two Guineas or upwards, annually be Governors during Payment.

B

IV. THAT

IV. THAT the Head or other Officer, for the Time being of any Township, Body Corporate, or Society, subscribing two Guineas be a Governor, and that the Mayor and Aldermen of *Lincoln*, *Boston*, or elsewhere subscribing twenty Guineas annually be Governors during Payment.

V. THAT the Physicians and Surgeons for the Time being shall be Governors, during their Attendance upon the Hospital.

VI. THAT a general Board of Governors be held at four stated Times in every Year; namely, on the first Saturday after *Michaelmas-day*, *New Years-day*, *Lady-day*, and *Midsummer-day*, at the Hospital, to take the Reports of the Committee, inspect the Accounts and transact such other Business as shall be laid before them. — And that an Anniversary Meeting of all the Contributors be held on the Saturday in the *Race Week* at the *Rein Deer Inn*, in the City of *LINCOLN* after Divine Service, and that the President shall be desired at the preceeding general Board, to request some Clergyman to preach a Sermon on the Occasion before the Society, at the Cathedral Church in *Lincoln*; after which a Collection shall be made at the Church Doors.

VII. THAT the Power of making and repealing Laws; and of Electing and removing Officers, be vested in the general Board only.

VIII. THAT the general Board shall appoint a weekly Board of Governors, which shall consist of
three

three at least, to meet every Monday at Eleven of the Clock in the forenoon at the Hospital, during the Time for which they are appointed.

IX, THAT at the general Board held on the first Saturday after *Michaelmas-day* a Treasurer be annually chosen out of the Governors, who shall give Security to such Persons, as the general Board shall appoint for the due accounting for all such Money, as he shall receive for the Use of the Hospital, and who shall pay all such Bills as are ordered by the general or weekly Board, such Order being first sign'd by the Secretary.

X. THAT the Treasurer at every Board take the Chair, or in his Absence, the Members present appoint their own Chairman; who shall have a casting Voice.— That at every general Board the Proceedings of the last general Board, and at every weekly Board, the Proceedings of the last weekly Board shall be read over, and all Laws and Orders, made at one general Board, shall be in Force and Binding till the next general Board but no longer, unless confirmed by two thirds of the Governors present at such subsequent general Board, and that all Orders of the weekly Board do continue in Force until repealed by some subsequent weekly or general Board.

XI. THAT the Proceedings of every Board be fairly registered, and signed by the Chairman.

XII. THAT

XII. THAT at the general Board, held on the first Saturday after *Michaelmas-day*, two Governors be annually chosen to inspect and audit the Accounts of the Hospital, and to report the same from Time to Time to the general Board; and to draw out the Accounts, with a Report of the State of the Hospital, the Number of Patients received and discharged within the Year, and an Abstract of the Proceedings of the Governors, and to produce the same at the next general Board.

XIII. THAT an Apothecary, Secretary, and Matron be appointed as Officers by the general Board, and such Nurses or Servants as are necessary to attend the Hospital by the weekly Board.

XIV. THAT the Clergy in the Town be desired to attend the Hospital by weekly or monthly Rotation to read Prayers twice a Week and to administer the Sacrament, if desired, to Patients in imminent Danger, and to bury the Dead.

XV. THAT the Clergy in the Town and County, be requested to preach an annual Charity Sermon in their respective Churches, and to cause a Collection to be made at their respective Church Doors, for the Benefit of the Hospital.

XVI. THAT the weekly Board do appoint one of their Number, to visit the House once every Day for the ensuing Week (which Visitor so appointed, in Case of Sickness, or necessary Avocation, may appoint a Governor to be his Deputy) to enquire whether the Rules concerning Officers, Servants, and Patients,

have been observed ; whether the Patients have been duly attended by the House Apothecary ; whether the Patients or Servants have been guilty of Swearing, Drunkenness, any Immorality, or Indecency, whether the Provisions are good, and whether they have been carried away out of the House, or brought in to the Patients Clandestinely ; and that he enters what he thinks proper to be observed in a Book to be provided for that Purpose, and that he attends the next weekly Board.

XVII. THAT the weekly Board do inspect the Observations of the House Visitor, regulate all Matters relating to the Admission, or Discharge of Patients ; enquire into the Conduct of Officers and Servants, examine and pass Accounts, pay the weekly Expences, execute Orders of the general Board, and prepare such Matters, as are proper to be laid before the same.

XVIII. THAT the weekly Board (seven Members being present) have Power to suspend the Apothecary, Secretary, or Matron, for Misbehaviour, and to appoint others during the Suspension. But that the weekly Board (three Members being present) have Power to remove Nurses and Servants, and chuse others in their Room.

XIX. THAT no Treasurer, Auditor, Physician or Surgeon, shall receive any Reward, Salary or Gratuity, from the Hospital for his Service.

XX. THAT no Patient, or Person belonging to the Hospital, do at any Time presume on Pain of

Expulsion, to give to; or take from, any Tradesman, Patient, Servant, Stranger or other Person whomsoever, any Fee, Reward, or Gratuity, directly or indirectly, for any Service done, or to be done, on Account of the Hospital.

XXI. THAT a Table of the *Rules and Orders* which relate to the Conduct of the Patients and Servants, be hung up in each Ward, and publicly read over every Monday Morning, by a Person to be appointed by the Matron.

XXII. THAT an Inventory of all the Household Goods and Furniture belonging to the Hospital, be kept by the Secretary, and a Copy thereof by the Matron, and that once every Year, at some convenient Time before the last stated Board, the Auditors do cause a fresh Inventory to be made, and compare it with that of the preceding Year, as well as with the Account of what has been purchased since; and that as often as any Thing shall be wanting, it be immediately notified by the Matron to the Visitor of the Week.

XXIII. THAT the Method of dealing with Tradesmen in General, be to publish an Account of Provisions and Goods wanted, and Notice for such as are willing to furnish the same, to bring their Proposals sealed up, to the Secretary at a Day fixed in Order that the next weekly Board may determine which shall be accepted.

XXIV. THAT the Appointment of the particular Diet of the Patients, be under the Regulation of the Physicians or Surgeons, and that no other Provisions

or Liquors be brought into the House to them, on any Pretence whatsoever.

XXV. THAT a Poor-Box be set up in some convenient Place, to which there shall be two Locks; the Key of the one to be kept by the Treasurer, and the other, as the weekly Board shall appoint, and the Money therein collected, applied to the Use of the Hospital.

XXVI. THAT the Matron, Apothecary, and Servants be ready to attend the Visitor in the Board-Room: That when the Visitor enters the Wards, the Matron and Servants withdraw, and the Patients stand by their respective Beds.

XXVII. THAT all Deeds, Evidences and Writings, relating to this Hospital, or where the Original cannot be obtained, attested Copies thereof shall be preserv'd in a Chest provided for that Purpose, and secur'd by three Locks, the Keys whereof shall be kept by such Persons as shall be appointed by the general Board held the first Saturday after *Michaelmas* day annually.

XXVIII. THAT when any Vacancy shall happen in the Office of Treasurer, Physician, Surgeon, Apothecary, Secretary, or Matron, the weekly Board shall summons a general Board, to fill up the Vacancy, unless the stated general Board shall happen at a convenient Distance of Time; and till such Election be made, the weekly Board shall appoint a Person, or Persons, to act in the vacant Office.

XXIX. THAT the weekly Board (five Members being present) have Power to summon a general Board upon any special Occasion, giving public Notice fourteen Days at the least before, and specifying the Business to be transacted at such Meeting.

XXX. THAT all Elections, if contested, be by Ballot; and all Questions decided by a Majority of Votes present, which shall be taken by Ballot, if required.

XXXI. THAT all Subscriptions for the current Year, be paid as soon as may be after *Michaelmas*, that all Subscriptions entered before *Michaelmas*, be deemed to commence at *Michaelmas*, and all subsequent Subscriptions to commence from the Quarter Day succeeding the Time of Subscribing, unless the Subscriber desires otherwise.

XXXII. THAT the Secretary shall send a monitory Letter to all Persons whose Subscriptions are three Months in Arrear, to prevent further Delay of Payment; all Subscriptions, being supposed to continue, unless the Subscriber orders the contrary by Letter.

Admissions.

Admission and Discharge

O F

P A T I E N T S.

THAT Patients be admitted and discharged every Monday by the weekly Board, between the Hours of Eleven and One; and that the Candidates for Admission do attend before the Hour of Eleven.

II. THAT no In-patient shall be admitted till fifteen Shillings be deposited into the Hands of the Treasurer or his Deputies, to defray the Expences of Burial, in Case he die, which shall be repaid, if he be discharged, deducting the Expences of Removal.

III. THAT a Subscriber of one Guinea, shall have a Right to recommend one Out-patient at a Time, and only two in the Year, and a Subscriber of two Guineas, one In-patient or two Out-patients at a Time, and no more than three In-patients and six Out-patients in the Year, and for every larger Sum Subscribed, in the same Proportion: That a Benefactor who has at one Time given to the Hospital the

C

Sum

Sum of ten Guineas, shall have an equal Right with an annual Subscriber of one Guinea, and so in the like Proportion for greater Benefactions.

IV. THAT the Head, or other Officer for the Time being, of any Township, Body Corporate, or Society, Subscribing to the Hospital, have the same Power of recommending Patients with a Subscriber of equal Value.

V. THAT no Person be admitted a Patient without the Recommendation of such Subscriber or Benefactor as before-named, except in Cases that will not admit of Delay; in which the Apothecary, or Matron, sending immediate Notice to the Physicians or Surgeon, of the Month, may give Admission.

VI. THAT no Persons be admitted, who are able to subsist themselves and pay for their Cure.

VII. THAT no one be admitted or suffer to remain as an In-patient, who is capable of receiving equal Benefit as an Out-patient.

VIII. THAT no Subscribers Recommendation be accepted, while his Subscription is in Arrear, more than three Months.

IX. THAT a Letter signed by the Secretary or Chairman of the weekly Board, be sent to every Person recommending a Patient, to signify that the Person recommended is admitted, Post-poned, or rejected; and that the like Notice be given to the Person who recommended, when a Patient is Discharged.

X. THAT Persons who recommend Patients from distant Places, be desired to send their Cases drawn up by some Physician, Surgeon, or Apothecary, (Post paid) to which an Answer shall be returned, whether, and when they shall be admitted; but that the Board be still at Liberty to reject such Patients, if their Cases appear to have been mis-represented.

XI. THAT when there shall be want of Room in the Hospital for the Admission of all duly recommended, and qualified to be In-patients, those shall be first received, whose Cases will admit of the least Delay; in Cases of equal Exigency, the Preference shall be given, *First*, to such who live at the greatest Distance; *Secondly*, to those, recommended by such Subscribers and Benefactors, as have not recommended any In-patients within the Year, and, *Thirdly*, to those recommended by the largest Contributors.

XII. THAT Patients duly recommended and qualified, who cannot be admitted for want of Room in the Hospital, be entered into the Books as In-patients, and received into the House preferable to any other, in equal Necessity, upon the first Vacancies, and in the mean time treated as Out-patients.

XIII. THAT one Bed in each Ward be reserved as a Provision for Accidents, that require immediate Relief.

XIV. THAT no Woman big with Child, no Child under six Years of Age (except in extraordinary Cases, as Fractures, or where cutting for the Stone,

or any other Operation is required) no Persons disordered in their Senses, suspected to have the Small Pox, Venereal Disease, Itch, or other infectious Distempers, that are apprehended to be in a dying Condition, or incurable, be admitted as In-patients, or, if inadvertently admitted, be suffered to continue.

XV. THAT no Soldier be admitted an In-patient, until his Officer has engaged to pay his Subsistence Money to the Treasurer of the Hospital during such Time as he shall continue there, except Soldiers on Furlough, when there is no Officer at Hand to engage for them.

XVI. THAT all Patients be discharged at the End of two Months after their Admission, unless the Physician or Surgeon certify to the weekly Board, that there is a probability of their being Cured, or receiving considerable Relief.

XVII. THAT Patients be enjoined to desire that public Prayers may be offered for them during their Illness, and to return public Thanks in their respective Places of Divine Worship, upon their Recovery.

Physicians.

Physicians and Surgeons.

TH A T two Physicians be appointed, who will promise generously to attend *Gratis*, by Monthly Rotation, twice a week, (*Mondays and Thursdays*) or oftener if their other Business will permit.

II. **T**H A T every Surgeon in Town, who will promise generously to attend *Gratis* by Monthly Rotation, every Day or as often as his Business will permit, either by himself, Pupils, or Apprentices of two Years standing, to dress the Patients, shall be appointed Surgeons to the *Lincoln* Hospital: But that no Operations shall be performed by any but one of the Surgeons.

III. **T**H A T both Physicians and Surgeons be permitted the Liberty (usual in most Hospitals) of taking Pupils to be instructed in Physic, and of receiving from them a satisfactory Gratuity.

IV. **T**H A T the Appointment of the particular Diet of all the Patients, be expressly ordered by the Stated Physicians, and that no internal Medicines shall be administered by the Surgeons, or be dispensed by the Apothecary, without the Knowledge and Approbation of the Physician in Attendance; unless on Casualties where the Chirurgical Case instantly requires the Administration of Internal Medicines, at a Time when the Physician, cannot be conveniently consulted.

V. THAT every Patient before his Admission, shall be examined and approved, by the attending Physician and Surgeon.

VI. THAT the two Physicians and Surgeon in Attendance, shall be always included among the Governors, and have a Voice in all Committees which they chuse to attend.

VII. THAT the Physician and Surgeon in waiting, do attend every Monday at Eleven of the Clock to examine those who shall be recommended for Patients to certify their Opinions of the several Cases to the Board, and to receive under their Care such as shall be admitted.

VIII. THAT the Physician and Surgeon in waiting, do meet at the Hospital, every Thursday at Eleven of the Clock, to visit their In-patients, and to consult upon difficult Cases, to Note down the Patients proper to be discharged on the Monday following, and to prescribe for their Out-patients then on the Book.

IX. THAT no Amputation or other great Operation except an urgent Occasion require it, be performed, without a previous Consultation of one Physician and two Surgeons; and no One shall be admitted to see the Practice of the House without their Consent.

X. THAT each Physician and Surgeon whose Business or Indisposition, shall oblige him to be absent, shall give Notice in Writing to the Matron or Apothecary, that they may acquaint the other Physician or Surgeon therewith.

Apothecary.

Apothecary.

THAT the House Apothecary must be un-married, and properly Educated, must reside constantly in the Hospital, and must never be absent long at a Time, and then he must always leave Notice in Writing, with the Matron or Porter, where he may be found.—He must have no private Patients whatever, under the forfeiture of half a years Salary, and being expelled the Hospital.

II. THAT the Apothecary fix a Ticket on each Patient's Bed, specifying the Name of the Patient, the Time of Admission, and also the Diet, according to the Prescription of the Physician or Surgeon, and that he give a List of the same to the Matron, each prescribing Day.

III. THAT he visit the Wards every Morning, and be prepared to report the State of the Patient to the attending Physician or Surgeon.

IV. THAT an Account of the Number of Beds, which become vacant in each Ward, be delivered by him at the weekly Board, with a List also of the Patients received into the House in the foregoing Week, and of such Patients as have been in the House two Months.

V. THAT he dispenses no Medicines, without the Direction of the Physician or Surgeon attending, except in Cases of Necessity, when they cannot be consulted.

VI. THAT there be a Committee appointed, whenever the general Board shall judge it convenient, to buy Drugs for the Use of the Hospital, and till such Time, the Apothecary shall provide what is necessary, by the Direction of the Treasurer, Physician or Surgeon, and shall deliver to the weekly Board, an Account of what Drugs and Medicines are expended, and that he bring in a Bill of the Expences, at least once in every Month.

VII. THAT the Physicians and Surgeons, together with the subscribing Apothecaries, be at Liberty to inspect the Drugs and Medicines made Use of by the Apothecary, and to see that he does his Duty; and that they enter their Observations in a Book to be provided for that Purpose.

VIII. WHEN the Sick are admitted, the Apothecary is to examine each Patient accurately concerning the History and Symptoms of his or her Disease, a written Account of which, he is to shew to the attending Physician and Surgeon; after which, he is to transcribe into his Ledger, and is to enter the Patient's Name, Parish, Time of Admission, and Disease into the Register Journal of Patients.

IX. HE shall attend the Physicians and Surgeons in their Visits, Dressings and Operations, to write down the Diet and Medicines prescribed or applied and the Operations done.

X. As

X. As soon as the Physicians and Surgeons gone from the Hospital, after their Visits, the Apothecary is to send to the Matron a List of the several Patients in each Ward, who are ordered full Diet, low Diet, milk Diet, and dry Diet, to be a Rule for her, in her Orders to the Cook and Nurses.

XI. He shall go Evening and Morning Rounds thro' each Ward, to take such Notes as may enable him to inform the Physicians and Surgeons of the Condition of each Patient since their last Visit.

XII. EACH Day the Apothecary shall write in the Ledger the Symptoms, Diet, Medicines, &c. of each Patient.

Secretary.

Secretary.

THAT the Secretary attend at every Board, to Minute down and Register all Proceedings, and that he be always ready to produce the Books and Accounts of the Society fairly Written.
